

## Dear parents/caregivers/whanau of Welbourn students

*After meeting together, the Welbourn teachers have created the following list.*

*The links below are a selection of fun (non-digital and digital) activities you might like to do while at home. You are welcome to share what you have been doing on See-saw with your teachers, however it is not an expectation. The teachers will not be setting specific tasks, but we will keep in contact with you and maybe share some of the things we have been doing, via See-saw.*

*Note: Both the digital and non-digital ideas are optional learning activities.*

[At Home - Non Digital Ideas](#) (available on the school website [www.welbourn.school.nz](http://www.welbourn.school.nz) )

### A list of amazing online learning opportunities and experiences
