BOT Community Consultation: School Health Programme

Last couple of days to complete this short survey if you have not done so. Thank you to the whanau that have already completed the short survey for our biennial consultation of our school Health Curriculum programme.

To complete, please click the link: [Health Curriculum Community Survey](#)

An overview of our current key areas of learning for our Health programme can be viewed [here](#). If you require a paper copy these can be obtained at the office. We would appreciate your input as to the areas you would like to see prioritised in the School Health programme in the next two years and any recommendations you would like considered. Thank you in advance for taking the time to complete this survey. **The survey closes tomorrow at 3pm.**

Upcoming Student/Parent/Teacher Conferences

Conferences will take place in week 3, next term: **Monday 9th August from 1.30pm - 5.30pm & Tuesday 10th August from 3.15pm - 7pm.** A link to book times will be emailed to parents early in Term 3.

Teacher Only Day Next Term

Next term on **30th August** (Monday of week 6) we will be having a Teacher Only Day and school will be closed for students. Our staff will be taking part in professional development at school. Please place this date in your calendar, as school will be closed on this day for children.

JUMP JAM Performance

Congratulations to all of our children that took part in the Jump Jam performance as part of the halftime entertainment at the Taranaki Steelformers Mountainairs basketball game last Friday night. Mrs Rudman and the Jump Jam crew did a fantastic job with a very polished performance. Unfortunately we didn't have the loudest support to win the lunchtime disco prize up for grabs but the children enjoyed the experience.

Tui Team Firewise & Technology Day

As part of the Tui Team Firewise unit they invited parents & whanau into their classrooms to help make fire engines. There was a hive of activity as boxes were turned into fire engines. They also had a visit from the New Plymouth Fire Service to talk to them about fire safety and to learn about what firemen do. They also got to use the fire hose and look inside the fire engine. Thank you Tui Whanau for your support!
