It is a week that schools all around the country celebrate and focus on mathematics and how it is used in everyday life. It is a great chance to get involved in a fun way in the mathematics learning of your child and let them know how you use maths in your everyday life. All classes at Welbourn will be taking part in a range of activities e.g Survivor Series, Daily Challenges, Online Games, and problem solving challenges, but most of all having fun with numbers. Children can earn **Maths Stars** (like our Caught Making Good Choices) where they will go into the draw to win prizes.

For more information visit the mathsweek website www.mathsweek.org.nz. The NZ Maths site is also a great place to find parent tips to help your child with Mathematics at home. <https://nzmaths.co.nz/families-and-whanau> If you have any queries please contact your child's teacher.
