Open Classroom Afternoon - A chance to share your child's learning

We would love to see you at our 'Open Classroom' afternoon on **Wednesday 28th October 12-2pm**.

This is a great opportunity to visit your child's classroom and for them to share the learning they are proud of. During your child's sharing time the class teacher and class programme will continue as normal. Teachers anticipate children will need 10-15 minutes to share their learning and explain why they have chosen it. If you are unable to make Wednesday afternoon, classrooms will be open for your child to share their work on Thursday 29th between 8.30am - 8.50am (before school starts).

This is a great way for your child to share learning that they are proud of.

Taranaki Life Education Trust

The Life Education mobile classroom will be on site this term from today until November 3rd. Teaching teams have selected the following areas for focus; **Tui:** Food & Nutrition **Pukeko:** Friends **Weka:** Team Work **Kakapo:** Feelings/Change

The mobile classroom will have an open session on **Monday 2nd November from 3pm—3.40pm** for any interested parents to view the mobile classroom and resources used.

Look on the website link <http://www.lifeeducation.org.nz> for further parent information and to a kids link with games and resources.

This year, the \$5 cost per student is being covered by our BOT. I'm sure this is greatly appreciated by parents.

KAKAPO KID'S MARKET

On the 3rd November, Kakapo Team will be holding a Kid's Market as a part of our current Inquiry unit. Throughout the market day, each class will be invited to come and buy products that have been made by the Kakapo students. Prices will range from approximately \$0.50-\$5.00 depending on the product. More information of what will be sold and for what price will be coming out over the following weeks - keep a look out for posters and advertising!

If students wish to purchase products, please bring cash (preferably coins, not notes) on the day. No EFTPOS will be available.

What are these products being designed and made?

STUDENT COUNCIL CORNER #2

To be kind DOES matter. And that isn't just us saying it. There have been people who have done research on why kindness does matter for a long long time. Long before any of us were born.

Being kind takes great strength and courage.
Giving someone a smile
Being friendly - using kind words and actions
Being Fair
And sharing, everyday.

We want Welbourn to continue to be a happy place to be that leads to good feelings for all of us.
A huge thank you for dressing up in pink last week. Ka Rawe !
Your Student Council
